VCSA Juan Gonzalez (Charge Letter)

1. Budget Allocation(Page 2)
 - Retention and Student Success
 - SFAC should Question effectiveness of allocation
 - Focus on Metrics(get data from Dr. Karen, Dr. Bill) (UC Student Satisfaction survey)
 - Discuss data with directors – find weaknesses in data; how are they reacting to it?
2. Alignment(Page 3)
 - Present budget proposal to VCSA (end of Winter quarter) – VCSA will check alignment with it
 - Report from SFAC on observations and suggestions(end of Spring quarter) for next year’s committee
 - Create timeline for report
3. NCRC (Conflict resolution) – training student leaders to communicate with people with different opinions; capacity to train 1800 students
4. Campus compensation
5. Major improvement areas: access, academic success, student wellness(Zone, sun god, triton fest, caps, student health services); *Overall:* Improve student experience
 - International students & diversity groups: freshmen coming in from low funded high schools; student success coaches to help them(group workshops, track student success,)
 - Career services programs focused on freshmen & sophomores (Stephanie Barry)
 - Academic success: determined by students; Student experience: reason for stress? Preventive actions – wellness programs, triton fests and other events
6. Che Café security improvements:
 - Maintained by University Centers Advisory Board
 - Alumni connections
 - Private Contractor for improvement
 - Is it correct to allot Budget for this since its coming from is AS fee/student fee?
