4. New Business
 - a. Post Interview Discussions
 - i. Rec - CPR (Subcommittee 2)
 - Recreation is requesting \$49,800 to expand its CPR/AED/First Aid and Narcan training program, offering 87 fully subsidized classes for students, Resident Advisors, and frontline staff
 - SFAC argues that RAs lack professional health training but are protected under the CA Good Samaritan Law if acting non-negligently, which provides emergency response guidelines, while Recreation highlights concerns about performing CPR, the law's "no compensation" clause potentially excluding compensated RAs, and the benefit of certification for confidence and competence.
 - The majority of seats should be reserved for students whose fees are funding this program.
 - Strong interest from ResLife, HDH and Health Student Organizations
 - ii. Rec - Beach in a Box (Subcommittee 4)
 - Recreation is requesting \$12,000-15,000 to provide beach equipment/games for students to promote engagement at the beach

(i.e. volleyballs, beach chairs, spikeball etc.). Rec will cover the cost of staffing.

- Location changed to up land next to surfboard storage. Box will not be directly on the beach because due to the nature of tidal waves reaching high, a steel box won't be sustainable
- Concerns: 3 student workers will spend ~1 hour to drag all the inventory down to the beach with wagons, Cleaning/Maintenance of supplies, Service hours
- Strong support from student councils
